

LONGNIDDRY BOWLING CLUB'S SOCIAL MEDIA POLICY

Policy Statement

This policy is designed to offer practical guidance for responsible and constructive communications via social media platforms for representatives of Longniddry Bowling Club.

A “representative”, for the purposes of this policy, means someone who represents Longniddry Bowling Club through employment, competition, coaching or other voluntary undertakings. This includes, Presidents/Vice Presidents, Honorary Members, Staff, Players, Coaches, and those providing any further voluntary services under the jurisdiction of Longniddry Bowling Club. Longniddry Bowling Club fully acknowledges and respects the legal rights of our staff, players, representatives, and volunteers.

The proper focus of this policy relates to activities in or outside of Longniddry Bowling Club that affect the performance of others, our business interests, the membership, or public perception of the organisation and/or those representing Longniddry Bowling Club.

Policy Objectives

- To establish practical, reasonable, and enforceable guidelines by which our “representatives” can conduct responsible, constructive social media engagement in both official and unofficial capacities.
- To promote a safe and positive environment for “representatives” to share subject matter and expertise that is not proprietary and earns recognition for the outstanding use of social media for business and the promotion of our sport.
- To prepare our “representatives” to utilise social media channels to help each other, the wider organisation and the communities we serve.

Guiding Principles

Social Media is a fantastic opportunity for Longniddry Bowling Club’s “representatives” to communicate the work being done by the club to modernise, develop, widen and promote Bowls at all Levels.

The following areas set out the clubs guiding principles for the use of Social Media which “representatives” are expected to adhere to:

1. Longniddry Bowling Club trusts and expects “representatives” to exercise personal responsibility whenever they use social media.
2. Personal responsibility includes not violating the trust of those with whom you are engaging or representing. This includes taking/sending photos without the consent of the subject/recipient, or which are indecent or otherwise inappropriate.
3. “Representatives” should never use social media for covert advocacy, subversive marketing or personal public relations
4. Longniddry Bowling Club is committed to avoid and eliminate unfair discrimination of any kind within Longniddry Bowling Club and will under no circumstances condone unlawful discriminatory practices. The club also takes a zero-tolerance approach to harassment. Social media should never be used to discriminate against a person(s)
5. When “representatives” use social media to communicate relative to a Longniddry Bowling Club matter or subject topic they should clearly identify themselves and their role as a “representative”.
6. Only those officially designated by Longniddry Bowling Club can use social media to speak on behalf of Longniddry Bowling Club in an official capacity.
7. When you see misrepresentations made about Longniddry Bowling Club by the media, analysts, bloggers or other social media users, you may use your blog, social networking account or other social media platform to point the misrepresentation out. But you may

only do so in an official capacity or as a “representative” if you follow the terms of this policy.

8. Different social media channels have proper and improper business uses.

For example, members of social networks are expected to read, and when appropriate respond, to questions asked of them from another member of their social network.

It is important for “representatives” to understand what is recommended, expected and required when they discuss topics. If the matter is of a private or confidential matter do not divulge this information publicly, if it is out with the “representatives” remit then refer the question to the relevant party within the organisation.

If in doubt, leave it out and do NOT post a comment on social media which is defamatory, inaccurate, libelous or offensive.

All “representatives” agree to promote a positive image of Longniddry Bowling Club on social media and will not post, like or share negative comments regarding the organization, its staff or any other matter relating to Longniddry Bowling Club.

Direct Messaging and Private Messaging are still undertaken within social media “environments” and “representatives” should understand that the Guiding Principles relate to all are of social media and digital communication.
